# MEA-MJN Scholarship Donation Form

The Music Educators Association of New Jersey is comprised of nearly 300 piano teachers across the state. Since its inception in 1927, the organization has been dedicated to the music development of its students through activities such as auditions, recitals, competitions, master classes, composition festivals, and theory. MEA supports additional music opportunities by awarding scholarships to MEA students who attend summer music camps and to music majors at the college level. MEA also provides the Allegro Scholarship, which covers fees for participation in MEA events. On a community level, the organization has supported and continues to support music education by contributing to the scholarship programs of New Jersey colleges. For more information about MEA scholarships, please visit **For Students/ Scholarships.**

The **Mary Jean Nelson Scholarship Fund**, named for one of MEA's former outstanding teachers, provides financial assistance to music students for:

- Colleges, Universities, or Conservatories (music majors)
- Music Camps or Summer Festivals
- Application/Audition fees for MEA Events (Allegro Scholarship)

Please consider making a tax-deductible contribution to this worthwhile fund by either mailing in this form or going to your **Member Homepage** to contribute online. MEA-NJ is a non-profit 501(c)(3) organization.

Yes, I (we) would like to support the MEA-MJN Scholarship Fund for New Jersey music students in the amount of:
